Dear Mr. Ramos,

I was given your contact details by our Deputy Secretary General Mr. Sergio Mujica. I am responsible for organizing the 2013 WCO Technology & Innovation Forum to be held in Buenos Aires from 12-14 November 2013. In recognition of the ongoing relationship between ASAPRA Members and the WCO, I would like to invite you to help us promote the forum to your Members.

We already offer a 50% discount to residents of Argentina. We would appreciate any assistance in promoting our event and I have attached a promotional email in English and Spanish as well as the latest draft agenda's in English and Spanish as well.

Let me know if there is anything I can do to assist and we look forward to welcoming your members to the forum!

Saludos,

gp
